**Subject:** RE: [redacted] is finalizing
**To:** Ms. V. G. Tables
**Date:** 10-03-1950

I forgot to thank you for the floppy disk. The ingredient in the recipe of the Exotic Fruit Department works wonders! I definitely owe you a drink someday!

By the way, I noticed there might be a problem in the implementation of the encryption schemes that were used to generate your SSH key. You should probably contact Ms Grapes from the IT department to see if she can do something about it.

Best regards,
Dr. S. Berry
